Dear Duane,

I was excited to hear that the North San Antonio Chamber of Commerce is going to publish a coffee table book titled *SAN ANTONIO, CITY EXCEPTIONAL: Images of Culture & Enterprise*.

Photos that depict the rich culture, heritage and the spirit of enterprise which all San Antonians share will help us all better appreciate the great city in which we live.

These books can also be great economic development pieces used to market San Antonio as a prime place to live and work.

Sincerely,
