Company Name _____

Representative (All company representatives may participate on committees, receive email and register for events online with a registered email.)

Mr. Ms. Mrs. Miss Representative Name _____

Title _____ Email Address _____

Individual Phone _____ Alternate Phone _____

The **North SA Chamber** offers a variety of ways for our members to get involved. Through event sponsorship or volunteerism, your company gains visibility among chamber members through multi-media outlets and you'll expand your professional network while enhancing your leadership skills.

- Ambassadors** Volunteers interact with and bring good will to members by attending Grand Opening and Ribbon Cutting celebrations throughout the year.
- Chairman's Council** Business leaders conduct high-level networking with other decision-makers at exclusive events (at no additional cost), and are the first to preview information, trends and initiatives planned for the local, regional and national economies as detailed by elected officials and other thought leaders. *Admission into Chairman's Council is contingent upon dues investment level.*
- ATHENA Awards & Conference** Volunteers plan and implement a conference featuring the luncheon presentation of the ATHENA Leadership Awards®.
- Gala** Volunteers plan and implement the annual board of directors installation and awards presentation.
- Golf Tournament** Volunteers plan and implement the annual golf tournament and prize awards.
- Government Affairs** Volunteers explore legislative, political and civic issues and interact with other businesses, community groups, and city, county and state agencies and elected officials.
- Infrastructure** Volunteers monitor changes and/or improvements regarding roads, drainage and other infrastructure issues.
- Leadership Lab** Class members cultivate and deepen leadership capabilities through monthly attendance at this nine-month leadership academy. *Application is required.*
- Small Business Leaders Awards (SBLA)** Volunteers plan and implement a comprehensive recognition program that honors small business achievement across award categories including the small business leader of the year.
- Technology** Volunteers plan and implement the annual CIO Panel and various networking and professional development programs.
