

2019 LEADERSHIP LAB & INNOVATIVE LEADERSHIP SPONSORSHIP OPPORTUNITIES

2019

Twenty years ago, the North San Antonio Chamber set out to develop a nine-month leadership program unlike anything our city had experienced before. In 1999, Leadership Lab was launched and since then it has left an indelible mark upon our business community. The program has graduated 1,200 business professionals from 100 local businesses, leaned on the expertise, vision and commitment of 20 Chairs and has elected 80 graduates to the Leadership Lab Alumni Board.

GROW

Striving to bring even greater value to Chamber members, the Leadership and Professional Development Council set out in 2015 to build San Antonio's first-ever executive leadership program, Innovative Leadership. Designed in conjunction with the Greehey School of Business at St. Mary's University and dedicated to the study of innovation, the program graduated nearly 25 executives in its first year and is set to attract even more top-level executives in 2019.

CELEBRATE

2019 is set to be an exciting year for the North SA Chamber and we want as many San Antonio businesses to be a part of the celebration as possible. For the first time in the Chamber's history, we are offering sponsorship opportunities that allow you to gain greater coverage throughout the duration of Leadership Lab, as well as maximize your sponsorship dollars by offering branding opportunities for both Leadership Lab and Innovative Leadership.
