

Wendy Parker Memorial Scholarship

Wendy Parker, a graduate of the Leadership Lab's class of 2017, served as a member of the LLAB Alumni Board from 2018 to 2023. Throughout her tenure, she held various positions, including Vice-President, President, Secretary, and Communications Chair. To acknowledge her commitment to leadership development and express gratitude for her years of service to the North San Antonio Chamber of Commerce, the LLAB Alumni Board has introduced the Wendy Parker Memorial Scholarship. The scholarship will be granted to those who best exemplify the values Wendy embodied and demonstrated daily.

Applicants to Leadership Lab are required to write an essay explaining their understanding of Servant and Value-Based Leadership. The board will evaluate each applicant based on their alignment with Wendy's core values, which include compassion, optimism, mentorship, tolerance, and service.
